As this promises to be a great fine season, prices are more likely to advance than to go lower; and it may be so d poincy to buy while the assortment is at the best.

Stylish Clothing --- Men's and Boys'

Napanee

We talk a good deal about our MEN'S TEN DOLLAR SUITS, and we make no apologies for doing it. They deserve ten times as much talking about as they get. They meet the wisles of ten times us many men as any other line of suits we sell. FIRST—boanse the price admits of a very fine class of pure wool fabrics, and enables to recure high-class workmanship on them. BECONDLY—because we are alling to crowd the profits by getting the ulmost that can be sold at tant price. You're seen a good many TEN DOLLAR SUITS of course; but if you have not reen Robinson's you don't know how much character and style, what therough-going failoring, what comfort and perfect fit can be bought for this amount of money. Care, skill and brains combine to make unsuand clothing at this price, and if you have ten dollars to spend for a suit you should see what we show. H. W. KELLY'S,

LAST YEAR our Xmas Display was admitted on every hand to be the finest ever shown by any store in the district. Of course there were the "wise ones" who shook their heads and remarked that our stock was entirely too large and HIGH CLASS for a country store. Last year's experience, however, has taught us that our customers appreciate having an up-to-date stock kept in their immediate vicinity, and as a consequence our Xmas Display THIS VEAR entirely eclipses last year's.

THIS IS THE STORE that helps happy hundreds to give OLD SANTA a right royal welcome — that helps to spread the Christmas cheer by making the Christmas money go furthest. This is the ONE place you must not fail to visit in your holiday preparations.

LAST YEAR our Xmas Display was admitted on every hand to be the finest ever shown by any store in the district. Of course there were the "wise obes" who shook their heads and remarked that our stock was entirely too large and HIGH CLASS for a country store. Last year's experience, bowever, has taught us that our customers appreciate having an ap-to-date stock kept in their immediate vicinity, and as a consequence our Xmas Display THIS YEAR entirely eclipses last year's.

THIS IS THE STORE that helps happy hundreds to give OLD SANTA a right royal welcome — that helps to spread the Christmas cheer by making the Christmas money go furthest. This is the ONE place you must not fail to vist in your holiday preparations.

# Consumption

Salt pork is a famous oldfashioned remedy for con-sumption. "Eat plenty of pork," was the advice to the consumptive 50 and 100 years ago.

Salt pork is good if a man can stomach it. The idea behind it is that fat is the food the consumptive needs

Scott's Emulsionisthe mod ern method of feeding fat to the consumptive. Pork is too rough for sensitive stomachs. Scott's Emulsion is the most refined of fats, especially prepared for easy digestion.

Feeding him fat in this way, which is often the only way, which is often the only way, is half the battle, but Scott's Emulsion does more than that. There is some-thing about the combination of cod liver oil and hypophos-phites in Scott's Emulsion that puts new life into the weak parts and has a special action on the diseased lungs.
